2026 / 27
SCHOOL YEAR

Why Join a KEIS Club?

Fun, English-language clubs held right after school — led by the teachers your child already knows.

Extended English Immersion

Every club runs in English, giving children extra hours of natural language immersion beyond the regular school day.

Led by Our Own Teachers

Every club is run by a KEIS professional teacher your child already knows and trusts.

No After-School Shuttling

Clubs happen right here at school straight after dismissal — no driving across town to a class.

A Wide Offer

Fourteen clubs spanning languages, arts, music, sport, maths and nature — something for every interest.

LOOKING FOR SOMETHING DIFFERENT?

The final two pages introduce two **trusted external partner** activities — tennis and football. They aren't led by KEIS staff, but they include one extra advantage of their own: pick-up from school after dismissal, so parents don't need to arrange transport.
